## INGREDIENTS

125ml

Hot water

2 tsp

Moccona Barista Reserve Rich  
Espresso

125ml

Milk of choice, very cold

Coffee Ice Cubes to serve

## COFFEE ICE CUBES

250ml

Hot water

2 tsp

Moccona Barista Reserve Rich  
Espresso

## METHOD

1. To make the coffee ice cubes, combine hot water and Moccona Barista Reserve Rich Espresso and stir to dissolve. Pour coffee into an ice cube tray and freeze 4 hours, or overnight, until solid.
2. To make the latte, combine hot water and barista quality Moccona in a large glass and stir to dissolve. Add a few coffee ice cubes and top up with cold milk.
3. Serve immediately. The perfect way to enjoy a moment of me-time on a hot day.
